

Income & Expense Information for Student Loan Rehabilitation

When answering the items below we are asking about monthly expenses for your household.

If you have a spouse and their income does not contribute to the household income, do not include it.

Monthly Income:	\$ Amount	Notes
Your Monthly Gross Income		
Your Spouse's Monthly Gross Income		
Child Support payments received		
Social Security Benefits		
Worker's compensation		
Public assistance (list \$ amount & what type(s))		
Other income (list \$ amount & what type(s))		
		Total Monthly Income
Monthly Expenses:		
Food		
Housing (including taxes, insurance, HOA fees)		
Utilities		
Basic communication (including cell phones, internet, cable)		
Necessary medical and dental (expenses not covered by insurance)		(requires documentation)
Necessary insurance (medical, dental, life, vision, disability...)		(requires documentation)
Transportation (including insurance, gas, car payment, metro passes, cab fare...)		
How many vehicles in the household		
Number of people in your household		
Dependent Care		(requires documentation)
